Together Women Leeds is a place where women can get help in Leeds.

If you want to visit Together Women, you should try to call us on the phone or email us first.

You might be asked to come to see us by someone else who helps you, like a support worker or probation worker.

We are right next to the hospital called Leeds General Infirmary, opposite the Clarendon Wing

You can search online for our postcode LS3 1AB to find us if you need to.

You can get the bus or train to the city centre.

If you get lost, you can call us on the phone and we can try to help you.

This is what the front door of our building looks like.

To ask to come inside, you should press the button with the bell on it next to the door.

There are some stairs up to the main door. We have another accessible entrance on the other side of the main building if you can't walk up these.

This is the accessible door.

You can find out where we are by tapping our name on this information board.

If you come in the accessible entrance, you can get the lift up to our floor. We are on Floor B.

When you come out of the lift, you can walk along the corridor and enter by this door. Press the doorbell to let us know that you have arrived.

You can't smoke cigarettes or use a vape inside the building.

If you have anything sharp or dangerous with you, you will need to leave it outside.

If you are drunk or on drugs, you will not be allowed to come inside.

You can't bring any pets inside the building. You can bring an assistance animal like a guide dog or hearing dog.

People who identify as men are not allowed into the centre. They need to wait outside.

Once you are inside, there is a small waiting room to the left of the front door.

You can wait in this space until someone comes to see you.

There are lots of posters and leaflets to look at. You can take any leaflets if you want them. You can find out more about the groups and events we run.

There is a kitchen where you can help yourself to water, juice, tea or coffee.

There is an accessible toilet in our centre.

The whole centre is on one level with no steps once you are inside.

We have some sensory rooms with alternative seating such as beanbags and rocking chairs.

We have a multi-faith prayer room which anyone can use when they need to.

We have lots of groups you can come to and meet other people. Some of these groups you need to ask to attend first, but others you can just turn up to.

We support LGBTQ women.

We make all women feel welcome. We support all women over the age of 18, no matter who they are.

If there is anything else you need, please call us on the phone and we will try to help.
